The Interior:

Upon entering you are greeted by the open plan air-conditioned living, dining and kitchen space with beautifully laid feature tiling throughout. The entire interior has been freshly painted in crisp white linen tones, making the spaces flow seamlessly together.

The Kitchen is well positioned to maximise indoor/outdoor entertaining and will impress with the level of storage and layout on offer. There's a dishwasher, feature LED lighting above and below the overheads, Lazy Susan storage in corner cupboard for extra space and an additional storage/pantry room that can easily be converted to a butler's pantry (this room currently houses the internal laundry).

The Bathroom has all contemporary features and is extremely well appointed. Enjoy the luxurious shower with full glass wall and new shower stainless steel rose and rail fittings, wall cupboard for additional storage, modern toilet and a great vanity with storage. New towel rails, heat lamp and beautiful tiling complete this room, one you will simply fall in love with. There is nothing better than a beautiful bathroom that is set to impress the guests!

The three Bedrooms have built in robes, ceiling fans, quality dark grey carpeting and new window furnishings.

The current owners have created an additional liveable space to the home with the multi-use internally accessed Single Car Garage. It can function as car accommodation or as a super relaxing media room, with power upgrades already done for the big screen. Having the option to use this space for extra living is invaluable.

Even the power points and switches have been upgraded throughout the home!

The Exterior:

The front yard has been freshly landscaped with addition

spaces added for parking the car, boat or van. Side access also allows for a small van or boat to be parked.

The generous back yard has huge potential to make this what you want. It's just perfect for the kids and pets and offers a blank canvas to design your own private dream garden. A generous sized slab sits ready and waiting for a good sized outdoor shed to go up.

Enjoy outdoor entertaining under the good sized covered patio that overlooks the yard. There is huge potential to extend value to the outdoor spaces.
